Friday Fun Days!

Friday Fun Days will be offered again this summer. These groups will help to extend your child's week and include fun and recreational opportunities for all age ranges. The students will be grouped according to age and all groups will run from 9:00-1:00pm. This is a great way to work on generalization of skills learned during the week in a fun camp-like atmosphere.

Please write this option in on the [registration form](#).

Cost: 550.00
